## Cubs News

This term the Cubs children enjoyed celebrating Book Week 2018 by wearing pyjamas and sharing our favourite books. These books included 'We're Going on a Bear Hunt', 'How the Birds Got Their Colours', 'A walk through the Jungle' and 'The Wheels on the Bus'. This year we wanted to further extend the children's interest by offering follow on experiences that supported our enjoyment of these wonderful books. We went on a 'Bear Hunt', searched for some hidden jungle animals and set up a bus in our garden. We also enjoyed collage experiences using colourful feathers and other natural materials.

## Woylie News

*We have welcomed Lottie, Naomi and Hunter who have recently moved up from the Cubs room and Brock, Nate and Ryker have also joined us.*

*The Woylies have been taking advantage of the nicer weather and been able to make some excursions over to the community garden and playground.*

*We have been doing a lot of painting activities on different fabrics, paper, bark and leaves which the children have enjoyed.*

*Last week we made some fruit balls from dried apricots, sultanas, pepita and sunflower seeds which were a great hit and the children especially liked tasting them during the "making process"!*

## Bronty News

It is so nice to have some warm spring weather upon us and although we are enjoying the sunny days, looking back over the Winter months, we had so much fun in our lovely natural garden. The children loved jumping in the puddles and making mud pies. The recent scrub excursion was another fantastic experience for the children in the Bronty Room.

## 4/5 Hive Buzz

**4/5 Hive children LOVE treasure hunts! We have 'Pop-Up' treasure hunts in outdoor places simply by gathering interesting found objects, onto a bench or a tray and Hey Presto!**
